Jason Wayne Washburn

Branch of service: United States Marine Corps (USMC)

Unit: 1/4 C Co, 3/1 Weapons Co

Rank: E-4/Corporal

Home: San Diego, California

Served in: On my first tour in '03 I fought in the initial invasion of Iraq, stayed in Sadr City for a while and eventually settled in to Al Hillah. On my second tour in '04-'05 I fought Al Sadr and the Mahdi Army in An Najaf. During my third and final tour in '05-'06, I served in Haditha and much of the Al Anbar Province. During that tour it was a squad in my unit that went on a rampage after they were hit with an I.E.D. and ended up killing around 26 civilians.
