In the Crosshairs- The LummoX Murtha

Few people have turned on their former brothers in arms more egregiously than the LummoX Murtha. His behavior in throwing the Marines accused of a massacre in Haditha straight to the jackals of the press was shameful and disgraceful. It even led me to resurrect and redirect an old William F. Buckley Jr. group to form "The National Committee to Horsewhip John Murtha". Well payback time is now.

Former Marine Lance Cpl. Justin Sharratt, 24, of Canonsburg, will file a civil lawsuit against U.S. Rep. John P. Murtha, D-Johnstown, who was widely quoted two years ago saying that eight Marines carried out a cold-blooded killing of 24 civilians in the Iraqi town on Nov. 19, 2005.

Charges were later dropped against all but one of the Marines, with a military prosecutor calling allegations against Mr. Sharratt "incredible."

Noah Geary, a Washington County lawyer representing Mr. Sharratt, said his client will file suit today in U.S. District Court in Pittsburgh accusing Mr. Murtha of violating his constitutional rights as well as slander for statements about the Haditha incident. A 1:30 p.m. news conference has been planned to announce the suit.

"He just held innumerable press conferences, just repeatedly kept saying this was cold-blooded murder," Mr. Geary said of the congressman.

Good on ya CPL Sharrat, the bastard certainly slandered you and your fellow Marines and although he will probably slither on some Parliament of Hoors exemption, he should face the music for his sorry behavior.

Murtha's partisan political raving about redeploying out troops from Iraq to Okinawa as a reaction force was incandescently stupid. Add his continual attempts to lose a war in Congress our troops were winning on the ground and you have our Douche emeritus, the LummoX.

He and the rest of the Dem leadership were notoriously wrong in an ugly and nearly un-american way, rooting for our team to lose. They anti-pep talked and their mouthpieces in the media kept it all suicide bombers all the time. The public couldn't see through the fog of BS and the mist of blood to get anywhere near the truth.

Well accountability day is a-comin' and Murtha has a challenger who [we can all get behind LTC Bill Russell](#). After an Obama-thrashing I can't think of a better election present than the bloated carcass of the lummoX drug out of Congress and roasted on a spit to feed the bums.
